

Liberal with his help

INCUMBENT Rockdale Labor mayor Bill Saravinovski was taking his wife Valentina to lunch on Tuesday before the mayoral elections. When the couple's car broke down on West Botany Street Cr Saravinovski was concerned it could bring traffic in the area to a standstill. Fortunately, former Rockdale Liberal councillor Gary Green stopped to help them push the car off the road. "If you break down, don't call the NRMA call Gary Green," Cr Saravinovski said.
