

# Green praised

The Brighton-Le-Sands Chamber of Commerce wishes to acknowledge the fine contributions Cr Gary Green has made to Brighton-Le-Sands business community over the years.

He reconstituted the chamber in 2005 and has been a source of energy and ideas, including having user-pays policing funded through fines, which NSW police are presently considering.

Gary has also been a strong supporter of the Wildlife Preservation Society of Australia's

ecoworld gardens project in Rockdale, and the ongoing community work of the Brighton chamber.

On behalf of the membership, we wish him well.

# Best wishes

It's very sad to hear that Cr Gary Green is leaving Rockdale Council.

He has helped my family and served our community well over the years. We wish him all the best.
